Welcome back for the 2014-2015 Season

September 2014

## From the President...

I would like to take this opportunity to personally thank everyone in our great Club for all the help and support that you have given me (and our club) over the last 7 years. It has been an honour to have been the President for this time and I move on with some sadness but also a great optimism for the future of Cape Paterson SLSC.

After 7 years my energy in the position is not doing the club justice and I know am handing over the reigns to allow "new blood" to come into the position with new energy and enthusiasm - and I am sure everyone will support and help Chelsea as she moves into the role of President.

The club also welcomes Em Rogers stepping up to Club Captain from her role of Vice Club Captain - well done Em.

I am very confident this dynamic duo will be leading the club to many great things over the coming years. Exciting times!

Again thanks to all for your support and I will still be around for a while to come as my children continue through Nippers and beyond.

Regards (and see you at the Cape) - Dean.
