PRESIDENTS REPORT.

Ladies & Gentlemen,

The 1986/87 Season has seen the Club consolidate and extend the gains made in recent seasons, on the beach, recruitment of new members and improvements to Clubhouse.

Through the leadership of Club Captain, Jim Prendergast and Chief Instructress, Christine Trood, our Club performed well on the beachfront and the gaining of surf life saving awards.

Our efforts in the Patrol Efficiency Competition should remind us that we must not rest on our laurels and must constantly practise those skills in which we have been instructed.

I must thank:-

Melinda Menz for her work as Secretary. Well done.

Jacqueline Riswick for the excellent presentation of financial reports throughout the season.

Bill O'Connell has represented the Club worthily on the Cape Paterson Progress Association Committee. Thank you, Bill.

Tom Phillips, while he may not be a "Michaelangelo" for his painting at the Clubhouse and his carpet-laying expertise.

Bryan Baulch, Maurice Chippendall & John Cantwell for their invaluable assistance and advice throughout the season.

Pat Marangio for her sign-writing. Great!

A successful Button Day, raffles on the beach, film nights and another most successful Paddy's Market have enabled us to finish the season in a sound

financial position.

I acknowledge the generous support of our Sponsors, during the season in providing us the opportunity to acquire essential equipment so necessary for efficient operation of our patrols.

A special thanks to Councillors and Staff of the Wonthaggi Council for their help and keen interest in the activities of the club.

I particularly thank and congratulate our hard working ladies for efforts and many donations in making the Paddy's Market a resounding success.

Thank you, ladies. You were magnificent!

The Junior Association through the efforts of Melinda Menz, Jacqueline Riswick and Rodney Nak had a good season in training our juniors in surf awareness and competition at the Junior Carnival, and I thank them and others who assisted in this activity for their efforts.

Peter Fitzgerald should be pleased with his female surf boat crew gaining a medal at the Waratah Beach Carnival.

Finally, I thank my fellow committee members, Patrol Captains and members for their efforts.

ARTHUR PHILLIPS.
PRESIDENT

VICE PRESIDENTS REPORT.

During Season 86/87 through our regular Beach patrols and community activities our club developed a greater recognition within the community.

Cr. Des Biggs helped us launch our season when he attended our awards presentation at the start of the season. Through closer liason with Cape Paterson Progress Association by Bill O'Connell a greater understanding of our objectives was developed. Community involvement in our Button Day, Film Nights, Paddy's Market & Special Efforts was greatly appreciated and helped to achieve an excellent level of fund raising. Greater community acceptance of our Club increases our responsibility to ensure that we strive to retain at all times the esteem in which we are held by the community.

John Fox from State Centre paid our Club a great compliment when he walked into our clubhouse at the end of the season and stated that he had never seen such a neat & clean clubhouse.

As a new season approaches we must resolve to concentrate on attracting prospective new members to join our club, qualify and help Cape Paterson S.L.S.C. work hard to develop its high standing in the community even further.

BRYAN BAULICH.
VICE PRESIDENT.

CLUB CAPTAINS REPORT SEASON 86-87.

The conclusion of the past season, my 8th as Club Captain again found me very happy with the dedication and hard work of many members. Some excellent performances on patrol must be commended and other members need to be reminded that the Club will just not bother carrying "dead wood".

This season saw a slight drop in our active membership and total patrol hours.

SEASON	80/81	81/82	82/83	83/84	84/85
PATROL HOURS.	?	?	1669	1840	1932
ACTIVE MEMBERS.	14	21	30	43	46
SEASON	85/86	86/87			
PATROL HOURS.	2103	1807			
ACTIVE MEMBERS.	48	42			

This trend must be stopped as modern surf life saving with its equipment and demands requires much time and so the work load will increase rapidly if the active membership continues to decrease. In my opinion Cape Paterson S.L.S.C. would operate at an optimum with 60 active members, this would allow proper patrolling of Seconds and at least 5 patrols.

The patrol competition this season found us more successful than in season 85/86 as at least we were not disqualified but many points were lost by Bradley Phillips. Bradley's Mouth to Mouth needs practice, he's just a little slow sometimes. Overall we have much room for improvement in the patrol competition and each member needs to be sure they are proficient in all sections of the competition.

The season concluded with good weather and an excellent spit-roast. I thank Arthur Phillips and his brother Tom for the large amount of work they completed around the club house in trying to make it more comfortable for the active members. I thank all members for the work they did during the Button Day, Junior Carnival, Paddy's Market, Film Nights and all other activities held by the club.

Start getting fit, season 87/88 is only 4 months away.

JIM PRENDERGAST CLUB CAPTIAN.

BOAT CAPTAINS REPORT.

Training this year was not like it should have been, as we only intended going to one carnival, which happened to be the Gippsland titles. In the final of the Open Boat, we won a medal, making it the first time in open competition in Australia, that a female crew has won a medal at a title.

They rowed very good timing to do this. Our Junior Crew also won a medal. As next year will be a big year for us in Life Saving Competitions, we will have to do a lot of training, to live up to the reputation we are now earning. In a restricted Carnival which was held at Waratah our female crew came 3rd in the Open Boat.

TEAM MANAGERS REPORT.

As team manager it has been a good year for me, while not competing in many carnivals, the standard was good. At the Gippsland titles our team was 3rd in the march past, 3rd in the Open & Junior Boat. Alan Taylor was successful in the open surf and open ski, he was 2nd in both these events, being one of the most highest point scores of the season. We also came 4th in the State in our patrol carnival in which we represented the district as being the best Club.

I would like to congratulate all members who competed. A job well done. While patrolling our beach is very important, we will also have a big carnival programme next year. We will have a visit by Redhead Life Saving Club (N.S.W.) in January, Gippsland titles, other Carnivals, Victorian titles, Australian titles in Sydney and World Titles in Queensland. If members want to compete, in any aspects of the Club let me know. My thanks go to the girls who put the effort in to row the boat.

Thanking all those who helped through the season.

PETER FITZGERALD.
TEAM MANAGER.

I.R.B. CAPTAIN REPORT.

Chairman, committee and club members the past year has been a great success for our I.R.B. patrols and instruction.

The start of the season saw the acquisition for our club of the latest Boat and motor from a number of sponsors. The major one being Show Ads Colour Centre. Their assistance helps make our beach a lot safer and we hope to have their continued sponsorship.

As for our storage facilities work progresses slowly to make it a good working area for repairs. We should by next season have a work area to be proud of.

In the award section we saw the ladies showing thier knowledge and worth in patrols as they gain their Drivers and Crew certificates. A thank you to all the fellows for their time and effort.

Lets hope next season sees a lot more up and coming members obtain these worthwhile awards, for the benefit is not only to yourselves, but for the club as a whole.

As a closing note I'd like to thank all the people who helped this seaspn and hope the next will be even better.

MARK LEGG.
I.R.B. CAPTAIN.

JUNIOR ASSOCIATION REPORT.

The 1986/87 Season was an outstanding success with the largest number of Little Nippers in many years. The success of this season would not have been possible without the help of Jacqueline Riswick. To Jacqueline a very special thank you, your support was very much needed and appreciated. Together we were able to run the programme twice weekly, which apart from the obvious benefits, helped enourmously when it came time for revision.

Again we were host to a Junior Association Carnival and I think we would all agree that it was another success. I would also like to thank on behalf of Jacqueline and myself those Club members which helped us during the programme, there were only a few, but there help added to the success of the season and we sincerely thank them.

MELINDA MENZ.

SECRETARYS REPORT.

This being my first year as secretary I would like to thank all those that helped to make my job a little easier. To Arthur, Bryan & Jacqueline a special thank you.

I would like to commend Arthur on a job well done, through some especially trying times. It must be realised that a Presidents job is not an easy one, but one in which a lot of time and effort is put in.

Our Club Captain Jim Prendergast has again been the driving force behind the club and well deserves to be an Honorary Life Member. Without Jim I doubt there would be a club.

A special thank you to Bill O'Connell, few of you will realise the endless time and effort he has put in working behind the scenes.

Betty Rodda has most generously offered to clean up after us and act as a caretaker, hopefully preventing further vandalism and I personally thank her for her effort.

Here's hoping Season 1987/88 will be just as successful.

MELINDA MENZ.
SECRETARY.

CHIEF INSTRUCTORS REPORT.

Season 86/87 is over and we see another successful season pass.

The season unfortunately saw a decline in the number of awards gained.

We put through:-

- 3 Bronze
- 5 S.L.S.C.
- 1 R.O.C.
- 4 I.R.B.C.
- 4 I.R.B.D.
- 4 A.R.C.
- 2 I.C.

I hope to see the total number of awards for next season up on this season. I would like to thank all those who helped me to make my job easier this season. I would also like to congratulate all those who received awards and hope that everyone can gain more awards next season.

CHRISTINE TROOD.
CHIEF INSTRUCTOR.
