PRESIDENT'S REPORT

Season 1989/90 has now passed and the Cape Paterson Surf Life Saving Club Inc. has consolidated in many areas. The increase in nipper activity has been an example of this. Jodie Taylor is to be congratulated on her efforts in this important section. Her encouragement to the nipper members and their families resulted in excellent attendance at training sessions and participation at carnivals at Cape Paterson, Seaspray and South Melbourne beaches. Well done, Jodie.

Thanks to Karen for her work as Secretary and her bright and breezy newsletters have been well received by most members. Although she is resigning from the position of Secretary, she will be serving the Club in another important position.

Tony O'Connell again worked hard as Club Captain. He put in many hours in order to make a go of head of the club active members. Thank you, Tony.

Maintenance on the clubhouse saw \$3,000 being paid out for repairs to brick facade, painting effort and other minor repairs. This money was funded from successful fund raising efforts by hard working ladies: Nancye Phillips, Allie Chippendall, Yvonne Lord, Marlene Wallace, Barbara Manns, Jenny Burrowes, Margaret Tyndall and Mary Longden and my thanks go to them.

Jacquie O'Connell continues to do a first rate job as Treasurer and has played a major part in our club's healthy bank balance.

Brad Phillips worked hard as Chief Instructor and the bronze medallion achievers and other award winners are testimony to his prowess.

Although we improved in the Beach Patrol efficiency, we *MUST* strive to improve more as some lifesaving areas of this competition were not as good as they must be.

My congratulations go to all those who represented our Club at surf carnivals, Victorian and Australian titles.

The passing away of our esteemed life member, Norm Legge, early in 1990 saddened us all. His commitment during the establishment of the club will always be remembered along with his title "King of the Bombora".

Wonthaggi R.S.L. were again to the fore this year with large Bingo night donation, and assistance in providing the Bingo Blowing Machine for our special efforts at Paddy's Market. I must thank Jock Simon for his help over this.

Spruiker, Paul Burrowes, ably assisted by daughters Penny Anne and Sarah, was the centrepiece at a most successful Paddy's Market. Thank you also to John Manns and John Tyndall for their assistance on this day.

Samantha Lord's windcheater design and end result was a resounding success and help no end in presenting club members at other club magnificently. Well done, Sam.

Thanks again to Maurice Chippendall and Bryan Baulch for your continued support and my thanks to all others who assisted me in my role as your president.

Dear Members,

at the end of my third year as club captain once again it has come time to review the past year and try to determine which direction the club is heading.

We now have only 30 active members, a drop from 34 at the end of last year. To survive as a club in a community in which so many other activities are offered to young people we need to enhance our image so that we can draw in new members as well as retain our existing members.

We need to realize that our junior members are the future of our club and as such should be given the trust and responsibilities that they deserve.

As a season overall it has been one of contrasts. Highlights have included a successful carnival held at the Cape. Many thanks to all those that helped on the day.

Other highlights have included seeing Cape Paterson represented at so many carnivals including the Vic. titles and at the Aussies. It was a thrill to hear Cape Paterson's name over the loudspeakers at the Vics.

Special thanks to Brad Phillips for his work as Chief Instructor. This job takes a lot more time and patience than most would realize, so I congratulate him for his fine effort.

Thanks also to Dean for his work in running the Club during the times when I could not be there.

As Junior Delegate, Jodie Taylor has done a great job with the Nippers. Support has to be given to the Nippers as many of these kids go on to be excellent patrolling members.

Thanks to those people who put in above average hours on patrol. In particular Peter Fitzgerald (162.5 hours), Gavin Haeusler (112.5 hours) and Dean Manns (92 hours).

Once again the major disappointment of the season has been the number of defaults from patrols. We must realize we are not just here as a social club but primarily as a patrolling body. Remember our motto "Vigilance and Service".

I ask all those that haven't kept up with their patrol obligations to put a greater effort into our club.

see you in the surf

TONY O'CONNELL
CLUB CAPTAIN

CLUB SECRETARY REPORT

All members must be pleased with the growth of the club this season. One would hope that this trend continues into next season and the high level of enthusiasm expressed by members at the end of this season does not diminish over the winter.

The increase of members is partly due to Bradley Phillips and all his effort (and holidays) put into training squads. Jodie Taylor's nipper program was a huge success with more members joining and competing at various carnivals than ever before.

I would especially like to thank Nancye Phillips for all her efforts - without her Paddy's Market, our largest source of fundraising, would not exist. Being my mum, she also gets roped into cooking and organising social events (BBQs, Progressive Dinner etc etc etc).

Thankyous are also sent out to Dean Manns for putting this seasons's annual report together, printing posters for our carnivals and pamphlets asking for members; Melinda Menz and Bryan Baulch for use of their houses for the Progressive Dinner; Jodie Taylor for photocopying; and all parents and members who assisted and attended events during the season.

Highlights of the 89/90 season include:

- The Australian Titles at Nth Wollongong (Simon Marangio and Travis Wallace competing for the club)
- Progressive Dinner once again
- Gavin Winbanks 2nd in 11 year old iron man at Sth Melbourne
- Peter Fitzgerald and Donna Fitzgeralds' bingo calls at Wonthaggi RSL
- Those three Hepatitis B vaccine shots!!!!!!
- Dean Manns ski effort under the spotlight at Torquay Night Carnival
- Peter Phillips, Jim Prendergast, Alan Taylor and Simon Marangio competing in the elite event, The Wheelbarrow Race, at the Wonthaggi Gift
- Our own restricted carnival

With regret, I will be unable to stand for secretary next season. I'm resigning from the typewriter and giving up the power to write about members. I hope my successor will continue to hold social events and inject new ideas into the running of the club.

Karen Phillips
Secretary and Team Manager

CHIEF INSTRUCTOR'S REPORT

A special congratulations to all members, both new and old, that gained awards during the 1989/90 season.

This year we have gained some strong and dedicated active members who have thrown themselves into Surf Life Saving at Cape Paterson.

Those people gaining awards this season are -

S.L.S.C.

Peta Howie and Jenny Billington.

Bronze Medallion

Danny Billington, Travis Wallace, Jane McPhee, Linda Purvis, Matthew Funnel, Anna Howie and Alison Saville.

Advanced Resuscitation Certificate

Sharyn Fitzgerald.

Training Officer's Certificate

Sharyn Fitzgerald.

Examiner's Certificate

Bradley Phillips, Karen Phillips, Tony O'Connell and Dean Manns.

Thank-you to all who helped with the squads this year. A special thanks to Sharyn Fitzgerald who was enthusiastic and untiring in her instruction of two squads. Well Done!!

Cape Paterson S.L.S.C. now has one of the highest, if not the highest, proportion of examiners in the state, including Jodie Taylor who is presently a probationary member of the Board of Examiners. These people represent you at a State level, so please pass on any ideas to them.

The number of awards achieved this season was down, but I believe the standard and enthusiasm shown by these members will more than compensate for this. Next season we will again have to strive to encourage more members. If you want to do awards, make sure you keep asking.

Congratulations to all award gaining members.

Bradley Phillips
Chief Instructor.

GEAR STEWARDS ANNUAL REPORT 1989 / 1990

Well another season has passed and most of our equipment is still intact. With such an interest in carnivals the racing mals and in particular the skis saw a lot of action. Next season we hope to see a few more people making use of the equipment and becoming involved in competition.

Please report any damage or faults to Tony or myself. See you in the surf.

Simon Marangio

GEAR STEWARD

I.R.B. REPORT 89/90 SEASON

Unfortunately I couldn't commit as much time on the I.R.B. as I would like so, I will thank Tony, Jim, Bradley and Beefy. Thanks Guys for maintaining the presence of our craft on the beach for recovery operations.

I was also impressed with the young female Bronze Holders who went out in the Big Surf, I hope they are future Drivers. We must be getting better at boat handling as this season I have heard of few roll overs.

On training here again must we have to beg for crews, come on all you eligable people have a crack at I.R.B.'s, we can actually do this award in winter which also means racing, so get keen and make our Club not only better trained but our Beach safer.

MARK LEGG
Chief Duck

This year was my first at being the Junior Delegate. Many of the activities were done by trial and error and turned out to be successful. I would like to thank the many parents who helped with transporting the budding iron men and women to all the carnivals that we attended. In all we had over 20 Nippers in the program this year and we are hoping to build it up over the years to come.

Bonnie Chippindall won the encouragement award for this year with a lot of encouragement going to the Nippers who competed and took part in the many carnivals that Cape Paterson excelled in.

The carnivals that were attended by Cape Paterson Nippers were held at Cape Paterson, Seaspray, Waratah and the South Melbourne night carnival.

Special thanks to Travis Wallace, and all the others that helped me with the Nippers during the '89 - '90 Season.

JODIE M. TAYLOR

BOAT CAPTAINS REPORT

Again it is my pleasure to present the report. Before getting to the boat, in 1965 we only had 1 member that had been to the Australian Titles and now we have about a dozen, some which have been going every year since. In future years it would be great to arrange a bus to take more members as a team to carnivals. Although patrol is the main aim of the club, the committee is helping with gear and encouragement for members to get to carnivals.

Liz Baulch, Simon Marangio, Travis Wallace (our youngest competitor) and Jim Prendergast, Dean Manns, Alan Taylor (the ski team) and Linda Purvis competed in events at the district carnival, our carnival and some in other carnivals. Members of the boat crew who competed at our carnival were Linda Purvis, Jane McPhee, Anna Howie, Narelle Tyndall and Sioban Fitzgerald. Sioban, the only one who had rowed before and a member of the boat crew for three years, helped with getting the crews together (without her help we may not have succeeded this year). The enthusiasm shown this year will probably mean better results next year and may even go to the Australians if enough determination is shown.

The boat has been varnished and is ready for a good season. I would like to thank those who rowed the boat and members who helped me throughout the season.
