PRESIDENT'S FOREWARD

Season 95/96 has been both busy and successful on and off the beach.

Once again I congratulate the patrolling members on the manner and effort they displayed in performing their duties. Brad lead from the front and set a high standard for the rest of us to follows.

The Bronze squad again was trained to a high degree and the results reflected the time and effort put in by Dean and his assistants. The awards attained were thoroughly earned and deserved. Well done to all.

Sue Mc Lean in her first year as secretary was at times thrown in the deep end but certainly gave her position her best shot and deserves high praise for her magnificent effort and results. She was also most active in fund raising, sausage sizzles, pie and tart sales and helping Courtney with her home made chocolates.

Our new treasurer Barbara Manns was another stalwart in club affairs. Apart from keeping the books in shape, Barbara backed by strong support from John, her husband, was to the fore at the community hall line dancing, tavern raffles, brewery night at Mirboo North and, along with Christine Hawkes and others, responsible for the prizes being donated for a most successful Trivia Night.

Fund raising this year has been the most successful for many seasons although the Spirit of Tasmania outing was ruined by inclement weather and never got off the ground so to speak. Jim, Dean and the wonderful witty Miss Wendy hosted a great trivia night after a rather nervous few days prior to the event. A resounding success both socially and financially. The functions held at our clubhouse demonstrated that we can hold these successfully and we should develop and use our hall more.

Peter Clarkson and Peter Graham were responsible for several donations from sponsors for the Summer Raffle. Thanks to them and also Karen's efforts in ticket allocations, keeping track of monies and ticket return the raffle was also a success. The Tavern raffle is also becoming a steady earner and I would ask all members to assist John, Barbara and myself on a Friday night between 5.30 - 7.00 pm if possible.

This year we formed a building committee to advise on ideas and possibilities in improving our clubhouse. You could help Ian, Shane, Bob and Wayne with any thoughts. Their job will take time to come to fruition but it is important that we all support them. We all will benefit from their efforts.

I personally thank Peter Clarkson on his steps to the boatshed. Well done Peter. Thanks Lynda for your organisation of the sponsors day at the carnival. Well done Lynda.

Our club now has representation officially on the Cape Paterson Progress Association through Barbara Manns, this should be helpful.

The two electricians who donated their time and skill in rectifying our problems over the New Year deserve our thanks. I cannot exhort more strongly that all members give them sincere consideration if they require any electrical work to be done. They are Rod Mc Lean and Bruce Fincher. All our other sponsors deserve your support too.

Also I must thank my committee for their unstinting efforts in furthering the interests of our club and finally my heartfelt thanks to my greatest supporter and backstop, Nancye. Thank you.

**ARTHUR PHILLIPS
PRESIDENT**

*Our Presidential Team:
Arthur Phillips & Jim Prendergast (Active VP)*

CAPE PATERSON SURF LIFE SAVING CLUB INC.

Peter Graham (CPSLSC Finance Committee) with Barry Dickers (Manager Wonthaggi Retravision)

ANNUAL REPORTS AND FINANCIAL STATEMENTS

Ladies and Gentlemen

On behalf of the Management Committee of the Cape Paterson Surf Life Saving Club Incorporated, I submit for your consideration and adoption, the 36th Annual Report and Financial Statements covering the activities of the Club and its members during the 1995/96 Season.

I am pleased to be able to report to the members that "no lives were lost" on our beach while patrols were on duty. Members patrolled Cape Paterson beach from Saturday, 25th November, 1995 and continued on Saturdays, Sundays and Public Holidays through until Easter Monday, 8th April, 1996. To the members who patrolled the beach vigilantly and helped maintain the standard of patrols, thank you for your dedication.

Requalifications were held on Sunday, 18 December, 1995 with all members passing on the day. This enabled the Club to form four patrols.

A Bronze Camp was held from 1st January 1996 until 7th January 1996 where members gained their Bronze Medallion, Surf Life Saving Certificates and other Association Awards. Congratulations and welcome to Cape Paterson Surf Life Saving Club. These new members were placed on rostered patrols and performed their duties commendably. Thanks to Dean Manns, who devoted his time in training these candidates along with his able assistants. Awards gained during the season are detailed in his Chief Instructor's report.

STATISTICS

Awards for 1995/96 and the previous four seasons are listed below:

	1991/92	1992/93	1993/94	1994/95	1995/96
SLSC	3	3	17	4	7
SLSCI	-	-	4	-	-
BM	14	15	8	11	7
ARC	4	3	5	5	-
ARCI	-	-	1	-	-
TOC	2	4	3	3	3
IRBD	3	-	-	3	2
IRBI	-	-	1	-	-
IRBE	-	-	1	1	-
ROC	16	16	18	6	11
RIC	3	3	2	3	3
FAC	1	-	14	-	3
FAI	-	-	2	-	-
FAE	-	-	2	-	-

Members of the public were able to receive first aid assistance and the Rescues and First Aid cases carried out by our patrolling members as detailed in the Patrol Log are detailed below.

Description of Rescues Undertaken	93/94	94/95	95/96
Rescues performed without the aid of any Rescue Gear	-	2	1
Rescues performed with Rescue Tube	3	4	2
Rescues performed with Rescue Board	2	1	2
Rescues performed with Rescue Ski	-	1	-
Rescues performed with IRB	4	3	3
Preventative Actions	35	75	20
Minor First Aid Cases	30	17	10
Major First Aid Cases	4	5	2*

STATE CENTRE MEETINGS

State Centre held monthly Council Meetings and the Club was represented by Arthur Phillips, who reported back to the Management Committee.

COMPETITION

The Club conducted a Junior Carnival on Saturday 13th January, 1996. Over 200 'Nippers' competed and enjoyed the day. Congratulations must go to all who helped organise and run the carnival both prior to and during the day.

The Club Championships were held on Friday 26th January. A large number of members participated and several outstanding performances were made.

A Restricted Carnival was also held at Cape Paterson in February. Conditions were perfect on the day and Club members, led by Lynda Rogers, were on hand to carry equipment to and from the beach, provide assistance to the Officials and made sure food and refreshments were available.

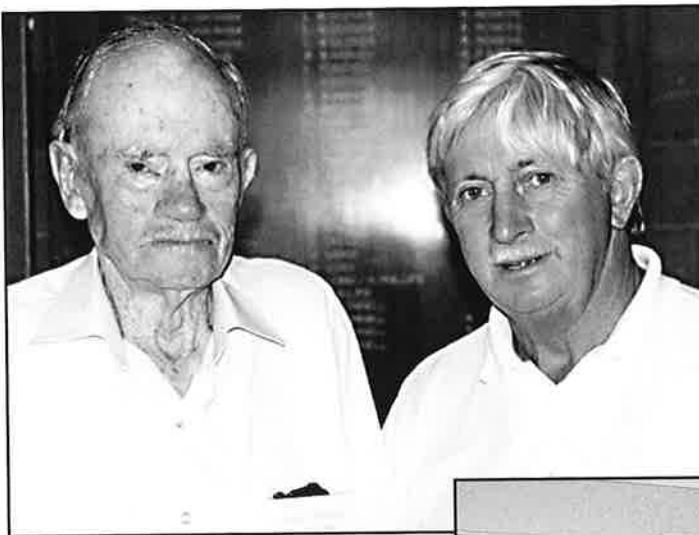

Cape Paterson was represented at other carnivals during the season with members competing at various venues throughout the State with some rewarding results.

FUNDRAISING

The level of fundraising has risen significantly over the last year with some very encouraging results. The efforts put into events such as the Button Day, Trivia Night, Paddy's Market, raffles and other social outings have proved to be not only entertaining but profitable for the club too.

We must also extend our thanks to the businesses in Wonthaggi who whole heartedly supported our Trivia Night.

Although many people have worked hard at fundraising over the last twelve months there are two of our Nippers who deserve special recognition for their efforts. Elise Graham and Courtney Mc Lean have been very willing helpers in many capacities, but especially at the sausage sizzles outside Safeway in Wonthaggi and at the various carnivals held at the club. Well done girls.

CLUB CAPTAIN'S REPORT

The last season has been no less hectic than in the past. The Club is very strong and is providing an exceptional level of care for beach users. This has been made easier by a very dynamic and committed active and associate membership. The participation of all club members in different activities such as Award training, fundraising, competition, patrolling, nipper activities, social events and maintenance, makes for great fun and enjoyment.

The Patrol Captains, Robert Harvey, Lynda Rogers, Dean Manns and Sam Chippindall have done a commendable job in overseeing the Club's patrolling activities on the beach. They complete a very important task and are to be thanked on behalf of the members of the Club.

The Club hosted two carnivals this season. This requires much organisation and planning in addition to the muscle to set-up and run the events. Many thanks go to Lynda Rogers for her organisation of the Restricted Carnival in February. The willingness of all to help, the credible participation of members in events and the fantastic weather made for a very successful carnival. The Junior Carnival in January once again demonstrated to other clubs the strength of our club. With approximately two hundred 'nippers', the Officials, helpers and parents were kept busy. Unlike the last couple of nipper carnivals the surf wasn't too bad and running three areas at once, meant that it was continuous action culminating in a victory for Cape Paterson. All nipper activities require qualified water safety officers. I would like to thank all active members who helped, in particular: Kelly Johnston, Eliza Hawkes, Meagan Graham, Rebecca Bohnsack and Angela Hawkes for their extra help.

The Club Championships were a showcase of talent. From the serious competition in events like the Iron Man and other such events, to the novel wheel barrow and three-legged races, everyone had the opportunity to push themselves and have fun. Thanks to David Mills and Rochelle Bates for their organisation of the event.

The recruitment and further training of members is essential to our survival as a club and to maintaining our rescue capabilities. Dean Manns as Chief Instructor along with his instructors ran a very intensive Bronze Camp. Apart from failing to organise good weather and spending much time freezing, the instructors succeeded by assisting all candidates to pass. Their integration into patrolling life has been good and as a Club, we have benefited from each of their individual skills and commitment. Attempting further awards is vital for all members. If you think that you know it all, then you could be a liability in emergency situations. Always revise from the Blue Book (the Surf Life Saving Bible) and attempt new awards. There's nothing like the nerves associated with doing an exam and the thought that it will extend your knowledge and understanding.

We are a voluntary organisation but with a legal duty of care we expect a lot from each members' commitment. There are many who work above and beyond this level. Each year the Club awards a "Best Junior, and Best Senior, Active Club Member Award" to recognise this.

Peter Clarkson has developed a wealth of experience in Surf Life Saving and contributed enormously to the club since becoming a member several seasons ago. For each of the last two seasons he has completed over one hundred patrol hours, many of which are by substituting for other members. He has been the Gear Stewart Officer for the last season and maintained the gear in immaculate condition. Peter has participated in all activities and especially enjoys extending his skills/fitness in the surf. Congratulations on Peter receiving the Best Senior Member Award for 1995/1996.

Simone Rogers has progressed through the ranks of the Cadet and Junior Active members. Her assistance around the Club is terrific and is always

done with a smile. Simone has assisted with the instruction of members and competes to the best of her ability in competition. When at the beach there is hardly a patrol that she doesn't assist with, regardless of whether she is signed on or not. Simone has many suggestions that relate to increasing the enjoyment of Surf Life Saving and is willing to apply these. This level of commitment indicates an enjoyment and love of Surf Lifesaving. Congratulations to Simone on receiving the Best Junior Member Award for the 1995/1996 season.

VICE CLUB CAPTAIN'S REPORT

The 1995/96 season proved to be a successful one, with many new faces appearing during the bronze camp week. It was good to see many of the available members getting involved and helping out with the instruction and supervision of the candidates. A very high standard was achieved by all participants which is due to the hard work of all the instructors involved.

Many carnivals were attended during the season by a growing number of members. Some to compete and others

I have appreciated the help and support of all members. It is reassuring to see the number of people that give of themselves to ensure that all requirements of the Club are being fulfilled. I look forward to continuing to work with everyone in continually striving to improve the Club.

**BRADLEY PHILLIPS
CLUB CAPTAIN**

to watch and support. It was encouraging to see the involvement of some of the younger members in the competition, and they should be congratulated for their exceptional performances.

Throughout most of the season patrols were attended well, with nearly all members attending their rostered patrols.

I hope everyone gained as much as possible over this season and continue to participate in as many aspects of Surf Life Saving as they can. Finally I would like to thank those who have assisted me in my first year as Vice Club Captain.

**SAM CHIPPINDALL
VICE CLUB CAPTAIN**

CHIEF INSTRUCTOR'S REPORT

Again the role of Chief Instructor has presented me with many challenges.

Our requalification day was held on Sunday the 18th December with relatively good weather for a change. Requal was again upon us and demonstrated to some of us the need to do that little bit more training in the off season (both fitness and theory).

Bronze camp was again a great success, with 7 SLSC and 7 Bronze Medallion candidates being presented for their respective awards, and were praised on the day as squads of outstanding quality.

I would like to thank the Training Officers for their efforts and patience over the course of the week. Matt, Daniel and Nick you have all done an excellent job and the quality of the training of these squads is a credit to the three of you. I look forward to seeing you in an Examiners uniform in the near future.

Thanks must also go to the "support staff" for the week; Jim & Bradley – as usual a great support to me especially and the instructors when they needed it; Kirsty, Lynda, Alison Wendy, Kelly, Meaghan, Kathryn and Peter (Clarkson) – thank you also for your help at various times throughout the week.

We again held a "fun and games" night to split the week (and the work) up a bit. Fun was certainly had by all with the considerable help of the Graham family.

As usual we trained all our new members in the use of our Radio System. Alison, Daniel and Matt also gained their Radio Instructors Certificate.

Peter Clarkson, Shane Cavagna and Matt Fitzgerald attended an IRB training weekend at Woolamia with both Shane and Peter gaining their IRB Drivers award after completing this weekend and Matt Fitzgerald soon to sit for his award.

Tony O'Connell, David Mills and myself sat for Level 2 First Aid Awards (St Johns or Red Cross) which now qualifies us to instruct First Aid Certificates in Surf Lifesaving.

Over the next season we must encourage more Resuscitation, IRB and First Aid awards.

I have once again thoroughly enjoyed the role of Chief Instructor and hope that everyone will, at least, pick up the Blue Book occasionally and keep training for awards.

DEAN MANN'S CHIEF INSTRUCTOR

POWER BOAT CAPTAIN'S REPORT

Firstly, I would like to thank Retravision, Fisher'n'Paykal and to Telstra Mobile Net for the generosity in sponsorship towards two new Johnson 25 hp outboard motors which have serviced the club well this season and no doubt will service the club very well into the next season.

Secondly, to Rod A'vard and all the boys at Cranbourne Boating Centre for all the servicing of these motors and for helping me understand the way in which the motors run, and should be looked after.

This season the club has successfully put through two drivers and have trained a number of others to the standard of going for their drivers. Before next season I hope to hold a driver training weekend and put these people through, resulting in more drivers for the club, as we need them! At the moment we have roughly two drivers per patrol and some weekends none of these drivers are available to be on patrol which means we don't have a full patrol, so we NEED drivers.

Now the part the IRB captain likes the best. To all the drivers and crews who have fallen out, or even worse, that is flipped the duck in the break resulting in a new tiller arm

essential that we take time and care when using the equipment!!

The Elite IRB Racing Team is off to a start and has competed at a couple of Carnivals, so far it has not brought home a penant, but we were only practicing this season so look out next!

This season was my first as IRB Captain, I didn't know what to expect, I knew that I had a big pair of shoes to fill, that of Peter Pearce. I haven't quite filled them yet but I'm working on it.

Thanks for a good season.

**DAVID MYERS
IRB CAPTAIN**

bracket, ripping off the tiller arm when attempting to go to a rescue at Kilcunda, or just simply dropping the motor on Bronze camp. I hope you all had fun and the best thing is the IRB captain was not involved in any of it, except for the incident in the summer IRB carnival where he has learnt that outboard motors do not stay on the transom too well without a safety chain, but we won't go into that. Remember, that it is

TEAM MANAGER'S REPORT

A fairly solid season of competition saw some outstanding results this year at carnivals.

Our first carnival this season was at Apollo Bay which saw Jim Prendergast win the Masters Ski Race and an impressive debut by Paul Graham in U/16 flags and sprints.

Our own carnival saw many competitors from our club giving it their best. It was also the perfect opportunity for some members to experience the carnival atmosphere.

Our members also went to carnivals at Ocean Grove, Jan Juc, Lorne, Waratah Beach and South Melbourne.

Congratulations also to Dean and Jim for competing in the Kellogg's Nutri State Surf League representing the Bass District.

JUNIOR CLUB CAPTAIN'S REPORT

My first year as Junior Club Captain has been an interesting and enjoyable learning experience.

Bronze camp was great fun and it was good to see the very encouraging results of the candidates improving their knowledge and ability of surf life saving.

During the year we had quite a few juniors attend and compete in carnivals. As well as having a

The highlight of the season however was the efforts of both Paul Graham and Luke Doherty in U/16 flags and sprints. Paul came second in flags at Apollo Bay and third in sprints at the same venue. Luke won flats at Gippsland Titles and at our own carnival. However for both to make the finals of flags and sprints at the State Titles at Torquay in their first season of competition was fantastic.

Training has already begun for season 1996/97 with a training camp at lake Eildon with 15 people attending. Training will also be a fortnightly occurrence in Melbourne over winter.

Looking forward to next season with some more wins on the board.

**DAVID MILLS
TEAM MANAGER**

good time, everyone competed very well, especially at the Gippsland Titles and the Victorian Championships.

Over the season it has been good to see the amount of juniors attending and participating in the training weekends at Eildon.

Hopefully next season there will be even more juniors participating in the training sessions, as not only are they good experience but they are also great fun.

**ROCHELLE BATES
JUNIOR CLUB CAPTAIN**

FINANCE COMMITTEE REPORT

There were numerous and varied fund raising activities during the year. The first were pre-season, with pie sales and Christmas cakes. In January, the Annual Button Day, sticker and pen sales proved successful with support from the Wonthaggi shoppers and traders. The bronze squad and instructors door knocked Cape Paterson on the same day and contributed significantly to the total of \$1,550 raised.

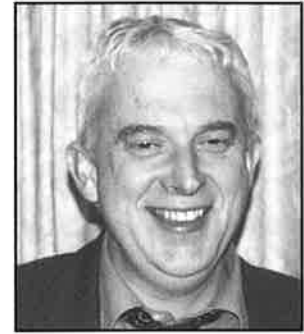

During year fund raising and social activities were combined. A Trivia Night, held in late January, was well supported by the local community. All prizes were donated by numerous traders and businesses, resulting in \$850 raised on the night. Thanks to the Hawkes, Mc Leans, Manns and Prendergasts for organizing and running the event. A bus trip to the Grand Ridge Brewery Restaurant returned a small profit due to the generosity of the owners and an 'on the bus' raffle. A line dancing night held at the club house was well supported. Regular nights at the community centre drew local support.

A major raffle, with a television and video recorder as first

prize, was coordinated by Karen Phillips. It was drawn at the Trivia Night and raised over \$1,200. A Friday night raffle was started at the Cape Tavern and has become a regular contribution.

Food sales also contributed to funds raised, with catering provided at the carnivals held at Cape Paterson, and three sausage sizzles at Wonthaggi Safeway and the Wonthaggi - Cape Fun Run.

This annual report lists businesses and traders who have supported the Club during the past year. Our thanks go to them, and we ask that you support them. The Club also thanks the enthusiastic and energetic people who have suggested, organized and assisted with the fund raising activities. All involved should be pleased with the excellent results.

JUNIOR CLUB DELEGATE'S REPORT

The Cape Paterson Nipper Program was very successful for 1996 with 60 children participating in the program. The weather was terrific with plenty of time spent in the water and on the beach. Many nippers were able to improve on their skills they had gained last season, whilst many other new skills were also acquired with the aid of the new manual system.

The highlight of the season was the Eastern Zone Nipper Carnival which was held at Cape Paterson on Saturday January 10th, which was won by our club due to everyone participating including all the supporters. Ten clubs competed on a beautiful summers day, involving nearly 200 nippers as competitors. This was the third largest nipper carnival in the state, many commented on having a great day with lots of fun. Many thanks must be given to all the parents and club personal who helped out on the day.

Every season a Junior Encouragement award is awarded to a particular nipper who has shown enthusiasm during the program, sportsmanship towards others and a willingness to learn. This year it was awarded to Peta Shreenan.

To all the members of the club thank-you for all of your support in the running of the nipper program over the past five seasons, especially to all those who braved the cold weather days to be water safety officers. To the parents thank-you for your support and encouragement you have given me, and for being there when I was in need of assistance. My special thanks must go to Eliza Hawkes, Kelly Johnson, Megan Graham and Bradley Phillips for the great assistance you gave in the running of this years program.

Overall a great season for Cape Paterson Nippers was held by all, with lots of fun for everyone.

CONCLUSION

This year, my first as secretary, has been a hectic time for me. I'm afraid to say I did not realise just how much work goes into this position in the club.

To my fellow committee members I would like to extend my sincere thanks, as you have all in some way or another guided or supported me through the last twelve months.

To my family I would like to say a very big thank you for your tolerance and acceptance of at times a very disrupted family life. Without their support it would have been impossible for me to complete this year as secretary or to prepare this years annual report.

Dean Manns must also be thanked for his assistance in the preparation and printing of this years Annual Report. To the members who supplied photographs for inclusion in this report thank you as well.

Finally, a word of encouragement, There are numerous younger as well as older members in the club who have some wonderful ideas, enthusiasm and hidden talents. We need to encourage all of our members, no matter what their age, to come forward and contribute how ever they can to the future growth of our club. I look forward to seeing over the next twelve months many of their ideas and efforts being brought to realisation.

To all the Officers and Members of Cape Paterson Surf Life Saving Club, I say a job well done for yet another season.

SUE MC LEAN
HONORARY SECRETARY

NEW LITHO

DIGITAL COLOUR PRINTERS

The Cape Paterson Surf Life Saving Club wishes to express its thanks to its generous Sponsors and Donors, without whose financial support many of our Lifesaving endeavours would not have been fulfilled.

Special thanks to the Management and Staff of New Litho Digital Colour Printers & Raleigh Paper – The Source of Fine Paper, for their assistance in the production of this Annual Report
