(also Aquathon Representative)	Karen Marangio

vale - nancye patricia phillips

Very sadly since our last annual general meeting we have lost one of our dearest friends and life member Nancye Phillips.

Whether it was organising Paddy's Market, in her role as the club's "First Lady", running bus trips to the state's north (purely for sightseeing of course) or supporting Arthur each week at the Tavern raffles Nancye always did it with a smile and a passion for life. In her fund raising efforts Nancye was instrumental in raising many thousands of dollars for our club.

Nancye showed her true courage attending our last annual general meeting to see her son in law receive his life membership.

Nancye, you are missed and will always be with us at the Cape.

president

The 2008/2009 season has seen the Cape Paterson Surf Life Saving Club continue to grow and head in a positive direction. I would like to thank every member of our club for their contribution and involvement over the last season and especially to everyone on the committee of management, thank you for your support, hard work and for putting your hand up and getting involved.

The Life Saving services we provide to the public that attend Cape Paterson First Surf and the training for our members has again been exceptional and I congratulate Kendall, Nyree, Jess, Chelsea and Doogs for their guidance and influence in what is really the business end of the club. It is also encouraging to see the next generation (be it a small gap for most – sorry Doogs) coming up behind the active team. The only disappointing element of the active season was that we defaulted a patrol for the first time that I can recall, demonstrating the importance of effective communication and the responsibilities of the patrol leadership team. This is something we must not let be repeated.

Our training team again had a busy season with 2 school camps and a “full house” sign up on our annual Summer Bronze Camp. Many of these candidates also sat other awards such as ARC and FAC during the bronze camp. For the second year running we ran an IRB camp and it was again a huge success.

The club's equipment has been in good hands this season and thanks to Graham for keeping the equipment up to standard.

Our IRBs. What can I say here? The boats are in the best condition that they have been in many years (rivalling Pete Pearce's Armor-Alling of the hull's several years ago!) and achieving all this within a budget. But to be honest Doogs your greatest achievement has been the culture and responsibility you have fostered with the patrolling members through your weekly IRB training sessions. Thanks Doogs for an outstanding effort.

The Cape Nipper Army again increased in number this season. Thanks to Trace (still going strong with the whistle!), Stu, all the age group managers and helpers for all your hard work.

One area of the club that is concerning is competition. Competition and carnivals can be underrated in their importance with improving life saving skills and retention of members. This will be one of the incoming committee's focus to rejuvenate the club's competition program.

On the administrative side of the club many thanks to Wendy and Keith for your dedication and support. Increased membership, regular fund raising and sponsorship have us heading in the right direction financially. It has also been encouraging to see many new faces attending fund raising activities over the season.

Updating the constitution has been a goal of mine for the club for many years now and it is very satisfying to see this coming to completion.

Continued community partnerships and support have also been a huge positive from the season. We thank Stockdale and Leggo, Cape Paterson Lions, the Cape Paterson Rate Payers Association and many other businesses and local organisations for their continued support.

As we move into our 50th season the Club is certainly positioned well for the future. We are not perfect by any means but we are improving with every step we take and I am confident we can keep up the hard work and momentum.

In closing I again thank my family, Kirsty, Jess, Nic and Thom, for their support of me and the club throughout the season, my thanks and love to you always.

Dean Manns

secretary

On behalf of the Management Committee of the Cape Paterson Surf Lifesaving Club Incorporated, I submit for your consideration and adoption, the 49th Annual Report and Financial Statements covering the activities of the club, for the 2008/2009 season.

The Annual General meeting for last season seems a long time ago, but the feeling of honor that was bestowed upon me when being awarded Life Membership with the Cape Paterson Surf Lifesaving Club remains with me. My involvement with our Club will not alter and I have enjoyed this year in my role of Secretary. The other concurrent position I hold as the clubs Public Advocate, has been called in to use a couple of times over the season and this has allowed me to be involved in another capacity which has given me the opportunity to learn new skills.

The role of Secretary is not just attending meetings and producing the minutes, it requires advanced communication and negotiation skills and these are at times tested, but I enjoy the role and hope to continue into the future. The secretary has a voice in decision making, with support from the Administrative and Active sections of the Committee and this forces me to remain aware and up to date with current trends and activities. As I do not have a vested interest in any of the age groups or activities, I can maintain an unbiased view through fundraising, fund allocation and other administrative areas.

Beyond my elected position, I extend myself to training and assessing Nippers and Bronze Medallion candidates in First Aid. This I do for pleasure, as I see the growth in these groups and their thirst for knowledge. During this time I meet parents and supporters of the club and have seen an increased interest over the season from all parties.

I look forward to another season in this role and the continued involvement in all other activities, from cleaning to cooking and beyond.

Wendy Graham

treasurer

The bank balance at 30 April 2009 was \$25,000. The Club holds a further \$59,000 in 4 short term (less than 12 months) term deposits at both the Westpac and Bendigo banks.

The income was \$87,700 while expenses were \$56,700 leaving a surplus for the 2008/9 season of \$31,000.

Financial highlights of the past year:

Income. Club income increased by \$20,000 over the previous financial year. While all income categories recorded an increase, the principle contributors were 'Donations/Grants/Sponsorships', Bronze camps, Fundraising and Memberships.

- Donations, Grants & Sponsorships. Donations, grants and sponsorships contribute over 30% of Club income. It is critical to the financial viability of the Club. The Cape Aquathon \$5,000 donation and a \$3,000 sponsorship from Stockdale & Leggo were major contributors. The Lions Club of Cape Paterson donated \$660 towards a defibrillator training unit for the Club. Other grants include VicHealth \$2750, DHL \$550, LSV Admin Grants \$2500 and Victorian Government \$6750, through the Community Safety Emergency Support Program.
- Bronze Camps. The Bronze camps contribute to both the Club's income and expenditure. The Club ran three Bronze/Life Saving Certificate courses for Kew HS, Wonthaggi SC and our own Club camp. Jess Bowman managed the courses with training provided by Club members.
- Functions & Fundraising. Fundraising continues to be a key area of the Club activities. Throughout the year Arthur Phillips conducted the Friday evening Cape Tavern raffle supported by Club members who ran the Saturday raffle during the summer season to raise \$6,700. The Trivia night brought in \$2,600. Tin rattles \$2,600, Doog's Snail race \$655, Easter Egg hunt \$234 and the Sausage sizzles, Club breakfasts and BBQs \$1400, are all significant sources of income.
- Membership Subscriptions. Last year the Club registered 384 financial members. Nipper group numbers (~100) was the standout feature of the Club membership increase. Subscription fees totalled approx. \$11,000.

Expenses increased by \$4,700 over last season. Other than for Training costs which have doubled, there are no significant increases in expenses. Over the past 5 years, operating expenses have doubled from \$23,400 to \$56,700, an average increase of ~\$6,000 per year. While income has kept pace with expenses, the costs associated with running the Club are significant. Fundraising is a critical activity which must involve all Club members.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30th APRIL, 2009

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the provisions of the Rules of the Association and the requirements of the Associations Incorporation Act (Vic).

The financial report has been prepared in accordance with the requirements of the following applicable Australian Accounting Standards:

AASB 101: Presentation of Financial Statements

AASB 110: Events after the Balance Sheet Date

No other Australian Accounting Standards or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report is prepared on a cash basis and is based on historical costs and does not take into account changing money values.

STATEMENT BY THE TREASURER

FOR THE YEAR ENDED 30th APRIL, 2009

In my opinion, the accompanying financial statements, being the Income Statement and Balance Sheet, present fairly the results of operations for the year ended 30th April 2009, and have been prepared in accordance with Australian Accounting Standards as a special purpose financial report.

KEITH BARTEL
TREASURER
17th June, 2009

club captain's report

Over this year the club has just grown and grown due to the number of new members gaining their initial awards. Existing members continue to extend their knowledge by gaining further awards, to ensure we have people trained to manage any situation on the beach. This is due to the fantastic work of Jess and Chelsea and their dedicated team of trainers who fought through wind, rain and sunshine to ensure all the candidates were up to standard. Without this dedicated team the club would not be able to run as smoothly as it does.

I would also like to say a big thank you to the patrol captains and all the patrollers who worked over the weekends and public holidays to ensure that the public remains safe in the water. This is shown with another year without a major incident in the waters of Cape Paterson. I would like to make special note of all the people who stepped up and filled in the gaps in many patrols and spent their weekends over summer down at the beach with most of them gaining over 80 hours of patrol, which is a huge effort. There were a few notable

people that gained over 100 hours, which means that they spent almost every weekend down at the beach, so a big thanks goes out to Jacinta Early and Sarah McKenzie. It was also good to see some of the older members down on the beach over the year with Doogs the dedicated IRB captain also gaining over 100 hours of patrol for the season, if this is not inspiration for every one, I don't know what is.

In closing I would like to thank every one for the help and support over the past two years, either being a taxi for the club moving equipment and people around to be at the beach or being down at the waters edge week in and week out ensuring the public's safety. It has been a pleasure to lead this club over the past few years but unfortunately this will be my last season on the beach as Club Captain as work commitments prevent me being down at the beach as much as I would like. But I look forward to watch the club grow from strength to strength over the next few years.

Kendall Brown

SMC - Spinal Management Certificate, **GM** - Gold Medallion,
Cert4 - Certificate 4 in Training and Assessment

chief instructor

The 08/09 season continued the trend of bigger and better, with a record 178 new awards gained by members during the season! We ran 3 very successful Bronze Camps for Kew High School, Wonthaggi Secondary College and our annual Summer Bronze Camp. It was fantastic to see so many returning members complete additional awards, with the star candidate being Jacinta Early, who not only completed the most patrol hours (127.5 hours over the season) but also found time to gain 8 new awards- well done Jaz! Displaying great enthusiasm, new Bronzies Ben (Juicy) Joustra and Emily Rogers joined the Club in January when they completed their Bronze Medallion and ARC, then gained additional awards by participating in the annual IRB camp and an extra Spinal Management course. 4 awards in the first season at the club is an excellent effort! Ten seasoned clubbies took on the challenge of instructing at the Summer Bronze Camp, gaining their Training Officer's Certificate and injecting plenty of fun and

enthusiasm through some interesting teaching methods! With all these new awards, we are ensuring that Cape Paterson beach will be patrolled by some of the most qualified lifesavers in the State! Thank you very much to everyone who assisted in training and assessment through-out the season (a very long list)- your contribution is greatly appreciated. I am looking forward to seeing everyone back on the beach and in the clubhouse to complete more awards next season!

Some highlights of the season:

- 10 Clubbies gaining IRB awards during the IRB Camp despite the craziest weather Cape has seen in a long time on the testing day (horizontal rain & hail and hurricane winds sufficient to break the clubhouse roller door!)
- In an act of sheer dedication, Jacinta Early stepping up to crew the IRB during IRB testing in her pyjamas when no-one else was available!
- Creating an impressive 4 tier human pyramid during a photo shoot on Summer Bronze Camp!
- The brilliant car crash first-aid scenario designed by Chelsea and Jacinta at the Summer Bronze Camp and perfected on the Wonthaggi SC Camp, complete with fake blood, hysterical patients and dramatic injuries!
- The hilarious performance of 'Catch my Disease', renamed 'Catch Kyall's Disease' at the Bronzelow Awards Night (Kyall was supposed to instruct but caught tonsillitis instead!)
- Honorary clubbie Tex McDonald (Tracy and Stuart's puppy) helping to patrol the beach

Jess Bowman

irb captain

The start for me this year was with submitting a budget and goals for the season we hoped to achieve. I can say happily we have done it. Pre season maintenance saw the gear and our new motor in very good order, ready for patrols. Drivers and crew all picked up new skills in gear up keep and care which certainly helps the budget. Duties this year were met with lots of people helping me in running the IRB section in patrols, nippers, aquathon, snail racing, Bronze exams and especially training, which saw 4 drivers and 8 crew gaining their awards, well done all involved and a special thanks to Jess Bowman, our Chief Instructor, for her vital assistance this year.

Now for my comments and awards:-

1. The dumped ducks which we had 3, Sam Adam at Bronze Camp January, and 2 on the last day of patrol Basam (McLovin) Walsh and Jaz Early.
2. Boat submarine, Boat Dave (Harry) Potter on Exam day in front of Examiners, don't know how you survived that one mate.
3. How did we get out here? The Exam Squad on Anzac Weekend with Doogs, Jaz and Gloria having to go and get them in that storm, all 11 of you.
4. The rescue in PJ's award to Jaz on Exam day made quite a sight going to the aid of the Exam Squad.

In closing thanks to all my helpers this season too many of you to name without missing someone and especially my Wife and family for their tolerance of Dad going missing on Sundays.

Captain Doogs
(Mark Legg)

nipper delegate

This past Nipper Season saw us 'crack the ton' with 105 Nippers signing up! Even though the weather gods did not shine on us for much of the season the Nippers and their families were exceptionally 'keen to be seen' at First Surf for all our sessions. We had loads of mums and dads helping out which is always very encouraging for both our club and the kids.

The Inverloch Carnival was a great success and Cape Paterson SLSC did us proud with 60 Nippers representing our club – well done to all competitors. We managed to bring home several placing's and our good sportsmanship doesn't go unnoticed!

'Nipper Night Out' was another fun night with games on the beach followed by a movie and munchies back at the club.

The Nipper Club Champs was run and won in very trying conditions with rain, swell and several rescues carried out on the day. Big congratulations to all

Nippers who competed on this day and as always, loads of thanks to our wonderful Water Safety, the Nipper Army wouldn't exist without your endless help and support!

Tracy MacDonald

gear steward

Season 2008/09 was a successful yet relatively quiet season as far as equipment has gone. The season began about 2 months before the first patrol with a very successful gear inspection. The preparation for the gear inspection was made much simpler by Life Saving Victoria selling first aid kits that are "gear inspection approved" so they are not scrutinised as closely. The gear inspection was also made much simpler by the addition of a new patrol shelter. This was the first new shelter for our club for many years and has the benefits of being bigger and more visible on the beach but also easier and quicker to erect than the previous shelter.

Towards the end of the season we welcomed the arrival of 5 new nipper boards. These boards are top of the line for nipper competition so hopefully our legions of nippers will not only win board races next season but look good doing so!

The final major addition to the club this season was a new roller door for the gear area at the club house after the old one blew in at a windy Sponsors day in April. All these additions are on top of the general maintenance that goes on throughout the season.

I would like to thank/congratulate Doogs on a fantastic effort all season as the IRB captain. He got three motors and two boat hulls to pass a gear inspection at the first attempt. This is the best result in many years. He has also been tireless in training our members to drive and crew these boats.

Finally, I have recently relocated to Germany so I will not be around for the coming season. I would like to wish good luck to everyone for next season and most of all I hope you all enjoy it!

Graham Bartel

junior club captains

The 2008/2009 season, was a good season for Cape Paterson Surf Life Saving Club. Everybody had some great experiences from gaining new awards to competing in our club championships, helping out at one of the many bronze camps or even just patrolling on our wonderful beach. It was fantastic to see so many of our younger members becoming increasingly involved in the day to day running of the club. I hope this is just the start of the junior members being involved in the club over the years to come.

The inaugural year of the Youth Involvement Program (YIP's) got off to a good start, except for some minor hiccups, which occurred throughout the entire season. These problems will be remedied next year and the program will be on offer again, and will be one of the best in the state. I encourage everyone between the ages of 14 to 18 to become a part of it.

We would like to thank all those who helped us throughout the year to make this club such a great environment. It has been a privilege to be on the committee of this great club and hope to be as involved in the future.
