

# CPSLSC – NEWSLETTER (November Update)

## COVID 19 UPDATE

You should have received further notification from Life Saving Victoria (LSV) requiring most members to upload proof of vaccination to enable participation in Club activities this season. Please refer to the attached PDF – **LSV's Vaccination Status Form** to confirm what you need to do.

Nippers do not have to show vaccination status.

To participate in any club social events, you must be double vaccinated and show your certificate upon entry.

Please be assured that the actual uploaded image of your vaccination certificate will be deleted once it is cited by LSV. Only the date of your 2<sup>nd</sup> dose is retained.

The upload process is straightforward. Please click on this link. <https://vacstatus.lsv.com.au/>

## GET EXCITED!!

More information will be made available as we work through the detail, however some events will require pre-registering. Worth diarising!

## Make A Difference

As a Community Club, we rely on member involvement. We cannot run the club and raise the much-needed funds without it. We are still requiring more people to register their intent to volunteer their assistance during the season.

The Summer Social program needs 2-3 people to help at each event, as does the kiosk. The same people cannot do it all, so we need to spread the burden. This should only require your commitment to one or two event over Summer if enough people get involved.

PLEASE REGISTER YOUR SUPPORT...

<https://forms.gle/ZUjCSW5u96cAKfFE7>

### Responsible Serving of Alcohol

We need more members who have their Responsible Serving of Alcohol (RSA) certificate. To enable this, we are hosting an RSA course at the clubhouse on Saturday 4<sup>th</sup> December. It is free and only takes a few hours.

You can use it elsewhere – school fetes, sport club etc, so it's very handy. It's also great for those over 18 who are thinking of getting a part-time job in a pub, restaurant, or café.

Please click on this link and register your interest in attending

<https://forms.gle/ZUjCSW5u96cAKfFE7>

### MEMBERSHIP

Don't forget to renew your membership for the upcoming season. Our early Nipper registration is well ahead of any past years, and we are very excited to see so many new members joining the club.

Don't miss out. If you want to participate in any of our Summer Social activities, you need to be a member. It is a requirement of our lease with Bass Coast Council that club run events are for Members and guests of members only. For guests of Members, there will be an entry fee.

To join or renew your membership click on the link: <https://www.capepatersonslsc.org/join-or-renew.html>

### WORKING BEE

On Saturday 13<sup>th</sup> November from 10:30 we are holding a working bee and welcome those keen to assist in getting the clubhouse ready for the season. The grounds need some attention so bring your garden tools & enthusiasm.

Regards

CPSLSC Committee
